This meeting will be a combined meeting of SC21/WG6 and SC22/WG11 to discuss issues on Common Language-Independent Datatypes, Common Language-Independent Procedure Calling Mechanism and RPC.

Administrative business (minutes of last meeting, national activity reports) and discussion on other technical issues (Guidelines technical report and Language Compatible Arithmetic Standards) will be limited to the bare minimum, and will be postponed as much as possible to the September meeting; this to allow maximum time for discussions on the harmonization issues between SC22/WG11 and SC21/WG6.

At this moment, details on hotel accommodation are not yet known. Those who intend to be at the WG11 meeting are strongly advised to contact the (acting) WG11 convener in order to be kept fully updated on the latest meeting and hotel arrangements.
