JTC 1 SC22:
Programming Languages, their Environments, and System Software Interfaces

John L. Hill, Chairman

October, 2004

Administration

- Officer Reappointments
  - WG conveners (none)
  - Project editors (5)
- Maintenance Recommendations
  - 2004: complete
  - 2005: 7 (5 firm, 2 pending [LBs issued])
- Other
  - Reviewing project editors for NB/liaison continued support (All SCs?)

Activities Outside SC 22

- Contributions to JTC 1
  - Processing delay ISO/IEC 1539-1 Fortran
  - Further promotion of freely available specifications
  - Representative on vocabulary group
  - Methods to increase coordination and cooperation
  - 'Packaging' questionnaire
  - Clarification of JTC 1 Directives

Activities Inside SC 22

- Investigating Future Direction
    - formed ad hoc group
- Disbanded WG 15, POSIX
    - formed advisory group
- Disbanded WG 20, Internationalization
    - formed rapporteur group

Meetings

- 2004
  - SC Plenary Meeting (Republic of Korea)
    - NB - 6
    - Convener - 7
    - Liaison - 1
    - Project editor - 1
  - Ad hoc meeting on Linux
- 2005
  - Plenary Meeting - Canada, 2005-09
  - Future Projects – USA, 2005-03
  - FSG: Prepared to be 'responsible for any future work' (per PAS Procedures 5.2.3)

One Issue

- ## ISO/IEC 1539-1 Fortran

  - Delays at ITTF in issuance of DIS ballot

    - 2004-05-17: draft submitted by SC 22 Secretariat to ITTF

    - 2004-07-12: ballot began

- ## Seems inconsistent with ITTF's desires

Summary

- JTC 1 SC 22
  - proactively addresses important technical issues
  - responsibly manages administrative issues
  - responds in a timely manner to requests from JTC 1
